

Dear Minuteman Indivisible Lexington members,

We are asking you to take critical action with your MoCs to stop the TrumpTaxScam. Details, resources and action items are provided below.

Trump's "Tax Reform Plan" is anything but reform: it is a *giveaway* to corporations and billionaires; it is a transfer of money from hardworking Americans to the very people who have already amassed great wealth on the backs of the rest of us. It also adds *1.5 trillion dollars* to the deficit, which will have to be paid back by the rest of us as well as by future generations. Just consider what \$1,500,000,000,000 (or \$150 billion every year for the next decade) could do to support your quality of life and that of everyone in America.

By now you know that Senate Republicans snuck a [repeal of the Affordable Care Act's individual mandate](#) into their "Tax Cuts & Jobs Act". Deep tax cuts to line the pockets of their billionaire donors at the expense of students and seniors weren't enough. Now they want to leave *13 million people uninsured* and raise your health care premiums, too.

A [new analysis](#) from the nonpartisan Joint Committee on Taxation (think the Congressional Budget Office for tax issues) shows that by 2027, the population earning below \$75,000 will, on average, see a tax INCREASE while those at the top and corporations will continue to get large tax cuts. And that's not counting the increased costs of healthcare to everyone as well as cuts to Medicare, Medicaid and Social Security.

The details of these plans pale in comparison to the overall picture of a massive transfer of wealth *away from* 99% of our people and the resources of America just to benefit the 1% who don't need any more!

Our Members of Congress here in the greater Lexington area share our concern for our fellow citizens: we want to ask them to fight this disastrous scam in any way they can. Call scripts for our MoCs are [here](#).

Many other details on the TrumpTaxScam are on the [Indivisible](#) and [Minuteman Indivisible](#) websites, but please don't let the details keep you from calling now.

Our friends in other states are not all so blessed. We can help them understand the amount of harm to the 99% of us -to the country - is built into this scam and beg them to call their MoCs.

Call scripts for Republican MoCs are [here](#).

Call scripts for Democratic MoCs are [here](#).

Tax and healthcare impacts for each state are [here](#).

Thank you for all that you do to help preserve critical programs for our fellow citizens.
