

# MINUTEMAN INDIVISIBLE

May 14, 2018

Subject: Constituent Services

To the Governor's Office:

Minuteman Indivisible is an organization with over 350 people on our mailing list. We are organized into teams with specific issue focus. We are part of a larger group called Indivisible Massachusetts, which is composed of more than 100 groups in the state of Massachusetts. We are educated, informed, and active constituents. We want to work with the Governor's office but we have found that difficult to do. We want to be able to ask questions and have clarifications made so that we can be informed, up-to-date citizens.

From Minuteman Indivisible's point of view, we would like two things: to better understand the organization of the Governor's office and to be given contact information for departments that cover the issues that Minuteman Indivisible holds dear (and thus are supporting in a legislative sense). This includes bills relating to healthcare, climate issues, voter registration, immigrant rights, and gun violence prevention. It also includes the transgender rights ballot question and the Citizen's United ballot question.

Let's work together to make this a great partnership!

Sincerely,

Marci Cemenska  
Minuteman Indivisible
